this book presents the most up to date biography of the spanish composer isaac albeniz 1860 1909 and is the first to offer a thorough annotated bibliography in addition to an extensive discography chronology and list of works the bibliography treats not only articles books dissertations and exhibition publications but also includes numerous reviews of his operas and other works an overview of the nature and location of primary sources and the holdings of various archives in england france belgium germany and spain is an especially useful feature of this book that is not available anywhere else alb niz s letters manuscripts library photographs and other important documents and personal effects are discussed this guide to research sheds welcome light on one of the most important composers in the history of spanish music one whose works won the admiration of faure debussy and messiaen and exerted a profound influence on de falla turina and rodrigo

walter aaron clark s detailed and accurate account the first in english of one of the most intriguing figures of the romantic period is now available in paperback isaac albéniz 1860 1909 a renowned concert pianist created a national style of spanish piano music and also fostered the growth in spain of the concerto orchestral music and opera his career was to become the stuff of legend a touring child prodigy who supposedly stowed away on a steamer to the new world he later studied with liszt and eventually

became ensnared in a faustian pact with the wealthy english librettist frances burdett money coutts based on a wealth of new and previously overlooked documentary evidence this biography debunks the mythology surrounding albeniz s career much of it spun by the composer himself and reveals a complex individual who was able to capture the mystery of spain in his music yet who in reality felt estranged from his homeland
